A SIGUCCS Mentor Pair!

THURSDAY...

I hope all had a great time last night at Fulton's on the River. We were really excited to bring Jake & Elwood to our event and recapture the spirit of Chicago and the Blues Brothers.

Today's highlight is our Poster and Vendor Showcase from 1-2:30pm. Be sure to attend for great desserts, including divine gourmet cupcakes and assorted ice cream treats. But let's not let great food overshadow the great content. Some of our communication awards winners will be showcasing their work and we have several poster presentations as well. Additionally, there are a number of informational posters about services available to you through SIGUCCS.

At the end of the day, don't forget our Birds of a Feather sessions. The SIGUCCS 2014 conference committee is hosting a BOF and looking for interested parties to join them in their conference planning for next year. All ideas are welcome! -Lisa Brown, Chair

"If it's a good idea and it gets you excited, try it, and if it bursts into flames, that's going to be exciting too. People always ask, 'What is your greatest failure?' I always have the same answer--We're working on it right now, it's gonna be awesome!"-Jim Coudal
